

**As you enjoy the Smith River area,** take a look at the plants around you. If you spot any of the weeds pictured here, please mark their location on the map on the back of this page. Turn in your map to the Montana Fish, Wildlife and Parks camp host at Eden Bridge. Or, mail your map to: Michael Wofford, Lewis and Clark National Forest, White Sulphur Springs Ranger District, PO Box A, White Sulphur Springs, MT, 59645. **Thanks for your help!**

# HOW YOU CAN HELP

**Spotted knapweed**

**Houndstongue**

**Dalmatian toadflax**

**Salt cedar**
